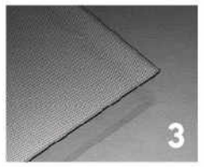
CORNICE ALLUMINIO
CON STRISCE LED
Profilo in alluminio da 290 gr concepito per una migliore dissipazione del calore e dotato di una struttura meccanicamente più stabile. Cornice di alluminio con striscia LED con chip 4014 ad alta efficienza anzichè chip 2835 a bassa efficienza luminosa.

ALUMINIUM FRAME
WITH LED STRIPS
Aluminium frame with 290g structure provides a better heat dissipation and a more stable mechanical structure. Led strips high lumen efficiency 4014 chip instead of low efficiency 2835 chip.

DIFFUSORE
Diffusore in PS da 1,2 mm garantisce l'uniformità dell'emissione ed il mantenimento della temperatura colore (°K). Non usiamo diffusori in PP che ingialliscono in breve tempo modifcando la temperatura di colore.

DIFFUSER
1,2 mm PS diffuser ensures light smoothness and colour temperature maintenance (°K) over time. We do not mount PP diffusers which turn yellowish and modify the colour temperature in a very short time

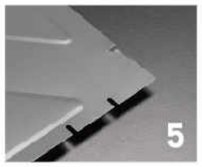


LGP
In PMMA da 2,8 mm di qualità assicura un alto indice di mantenimento del flusso luminoso anziché PP o PS che causano un decadimento del flusso luminoso nel breve periodo.

LGP
2,8 mm quality PMMA LGP ensures high luminous flux maintenance over time instead of PP or PS which cause a drastic lumen depreciation.

CARTA RIFLETTENTE
Foglio PET a doppio rivestimento che migliora l'efficienza luminosa.

PAPER REFLECTOR
Double coated PET sheet which improves light efficiency.



TAMPONAMENTO DI CHIUSURA

I nostri prodotti sono soggetti a continui sviluppi e cambiamenti. Ci riserviamo il diritto di mutare le specifiche o eliminare alcuini modelli senza preavviso. I colori stampati in questo catalogo non possono produrre fedelmente le tinte dei nostri prodotti. Pertanto sono da considerarsi puramente indicativi. È vietata la riproduzione, anche parziale, di questo catalogo in qualsiasi forma e su qualsiasi supporto senza autorizzazione.

Our products are subjected to continuous changes and developments. We reserve the right to modify the specification or eliminate some models without notice. The colours printed in this catalogue may not reproduce faithfully the hues of the products and have to be considered merely indicative. Total or partial reproduction of this catalogue in any form is not allowed without our prior consent.
