

# WIRELESS LIGHT

# La luce dove vuoi tu

## *Light where you want it to be*

Porta la luce ovunque con la nostra serie di lampade ricaricabili *Wireless Lights*. Che tu sia in riva al mare, in veranda o in mezzo alla natura, potrai fare affidamento su una serie di prodotti illuminanti indipendenti dalla presa di corrente. La libertà di potersi muovere ti permetterà di allargare l'orizzonte dei tuoi momenti conviviali, dandogli la giusta luce che meritano. La durata della batteria e la resistenza alle intemperie ti garantiranno una corretta illuminazione in qualsiasi situazione per tutto il tempo necessario. Le versioni Hybrid ti consentono inoltre di essere completamente autonomo da fonti elettriche, sfruttando la luce solare tramite un pannello fotovoltaico.

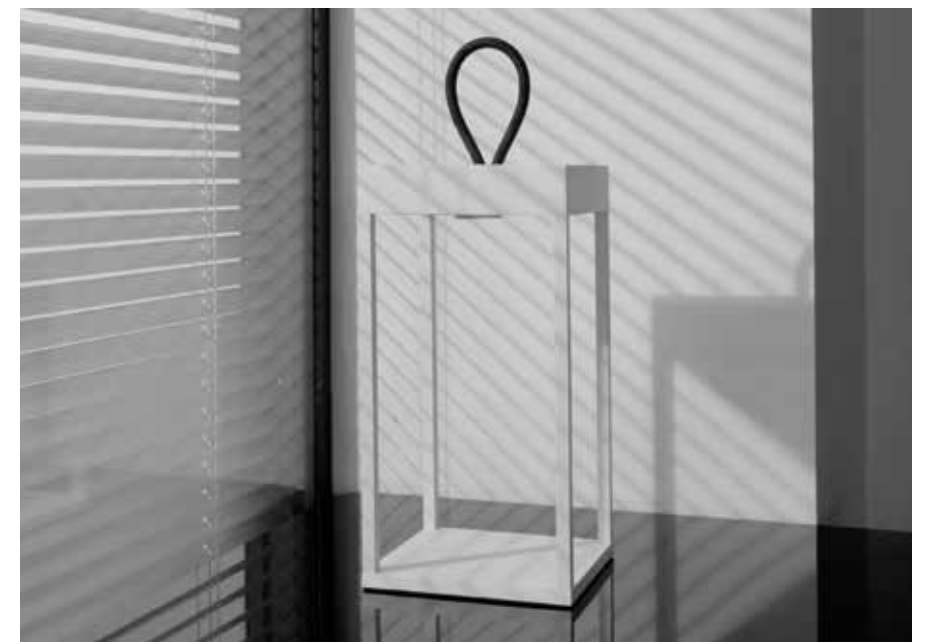

*Carry the light anywhere thanks to our Rechargeable Wireless Lights. No matter where you are, on a beach, on a porch or even surrounded by nature, you can always rely on a series of products which do not need a socket. The freedom to move around will allow you to enlarge the options of your convivial events, providing the requested proper light. The life of the battery and the waterproof protection will ensure the right light in any situation and for the right time. The Hybrid versions will allow you to be completely independent from any power supply taking advantage of the solar light captured through a solar panel mounted on the products.*

## La nuova arrivata *The newcomer*

Diogene Hybrid fa dell'indipendenza il suo tratto distintivo. Grazie al pannello solare, puoi anche dimenticarti di ricaricarla e farà tutto da sola.

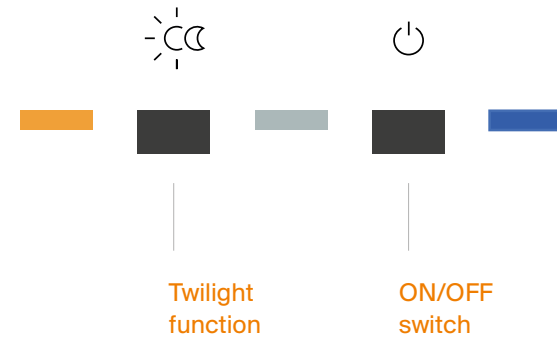

*Diogene Hybrid distinguishes itself for its independence. Thanks to its solar panel, you can even forget to recharge it. Diogene Hybrid will do it on its own.*

## Pannello di controllo Control panel

L'interfaccia permette di scegliere tra l'accensione manuale e quella automatica (Twilight Function), la quale si attiva al crepuscolo grazie ad un sensore che rileva la luce ambientale.

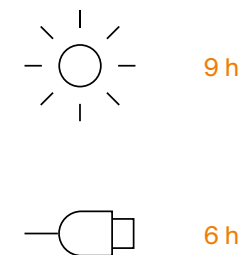

*To turn it on, you can choose between the manual or automatic mode (Twilight Function) which will get into action in the twilight thanks to a sensor which detects the light level in the surrounding area.*

## Ricarica solare Solar recharge

Il pannello solare integrato ricarica Diogene Hybrid in 9 ore.

*The integrated solar panel completely recharges Diogene Hybrid in 9 hours.*

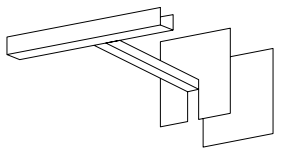

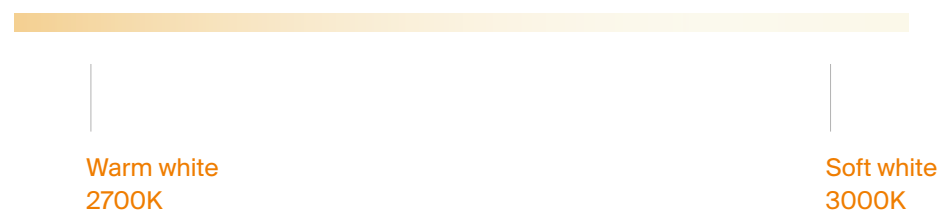

## Regolazione T° colore *Colour temperature setting*

Per una personalizzazione massima, è possibile selezionare la temperatura colore a seconda delle proprie necessità di illuminazione.

*Depending on the lighting effect you want to achieve, colour temperature can be selected.*

## Accessorio parete *Wall hook*

Un gancio con copertura magnetica permette di appendere discretamente Diogene Hybrid.

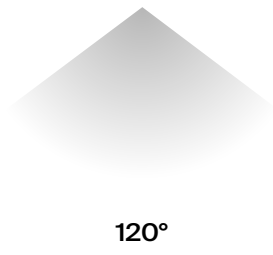

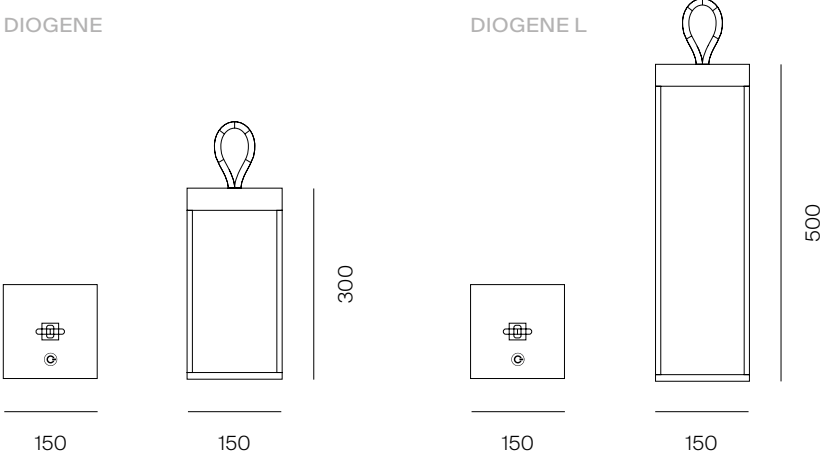

*A hook with magnetic cover enables Diogene Hybrid to be discreetly installed as a wall bracket.*

Soft white  
3000K

## Base per ricarica multipla *Multiple induction charging base*

Questo sistema permette la ricarica multipla di 6 Twiggy\_Less nello stesso momento. Grazie ai quattro supporti è possibile sovrapporre fino a tre basi per un massimo di 18 Twiggy in carica contemporaneamente.

*This system allows the multiple charging of 6 Twiggy\_Less at the same time. Thanks to the four supports, it's also possible to have up to three shelves being simultaneously recharged so that a total of 18 Twiggy\_Less can be recharged at the same time.*

# Sabbia, il nuovo colore

## *Sand: the new finishing*

Nella gamma cromatica delle *Wireless Lights* si aggiunge Sabbia, delicata sfumatura che sa essere elegante e distinta allo stesso tempo.

Nasce per inserirsi in contesti shabby chic e industriali, ma grazie al suo tono discreto può sposarsi con molteplici situazioni di arredamento.

Disponibile per tutte le serie ricaricabili.

*A new Sand finishing has been added to the Wireless Lights range; it's a delicate nuance, elegant and distinctive at the same time.*

*It is conceived to perfectly blend into a shabby chic or industrial ambience, but also with many other interior design styles. All rechargeable lights are available in Sand finishing.*
