OUTDOOR LIGHTING

Hello,
nice to meet you
we are

LUTEC

CONNECTED BY LIGHTING

one LUTEC, one lighting world

We believe outdoor lighting is a unique category with a vast number of specific requirements and challenges. Our aim is to provide creative solutions, innovative designs using quality materials and products.

At LUTEC we truly focus and comprehensively embrace exterior lighting.

Our categories include Architectural designs with creative forms of illumination. Functional products, combining tough materials with stylish appeal, Decorative products ranging from period classics to ultra modern shapes. Solar lighting that incorporates the latest trends alongside unique technologies, all to support the ever changing climates around the World.

LUTEC now leads the market in connected exterior lighting : LED Outdoor - LED Solar & LED Camera lights. Featuring products to secure your home and to enhance the appearance of any exterior, flexible mood lighting, colour changing, dimming, scene setting, all controlled via our Apps.

One world, different faces, different segments developed with the same concern of quality and efficiency.

discover what's new

Looking for special light effects

LUTEC is introducing a number of new contemporary outdoor lights, each of them has a distinctive light effect: Narrow light rays or wide beams, Charming glows, Powerful spots. Resulting in an appropriate answer to consumer's actual needs for their outdoor lighting installations.

A Swiss Army Knife Luminaire
The GOLETA is the hero of the new collection. Elegant wall & ceiling LED light with many options. Eccentric moveable head, Warm White light to Daylight switch, Front light, Back Light or both. It's your choice.

Up & Down Lights Revisited
CYPRES & MARBO designs, showing updated possibilities for Up & Down lighting. Suitable for GU10 retrofit, +0 (Neutral solution to create distinctive light patterns for different applications around your house).

Extreme Flat Design
RIALTO wall light can be seen as the elegant combination of two GEMINI XF luminaires. Resulting in a wide powerful beam down and the option to choose for 3 different beam patterns up.

enjoy the solar side of light

LUTEC has a variety of different concepts covering the complete solar energy range. Recently some new attractive Solar outdoor LED lights were launched in the market.

No electricity consumption – No electric wiring
100% green renewable solar energy. Simple and super fast installation, a void a costly electric wiring installation in your garden or around your house.

Classical lanterns

New in the range are the Solar versions of the well known traditional lanterns. The perfect model to create and program the desired outdoor atmosphere for every occasion. Designed by LUTEC connect dynamic CCT & RGB colour technology.

Charming summer nights

KOZY & DIVA Solar table lights create a gentle and unique light palette. Excellent to convert your garden table in a cosy family place.

Convenient, comfortable & personal

DIAS bollard light with spike is a nice extension in the LUTEC connect Solar range. The perfect model to create and program the desired outdoor atmosphere for every occasion. Designed by LUTEC connect dynamic CCT & RGB colour technology.
